Grand Banks 'Olibé' is with hull number 97 of the 103 total built 47 Europa's, one of the last build 47 europa. The ship has a beautiful layout with three cabins and five beds. The spacious covered aft deck is a nice place to sit with both good and bad weather. Temperature is automatically controlled by the air conditioning that can heat as well. The ship has only one owner who has maintained the ship very well. Every winter the ship is on the shore and maintenance is being done, such as: new anti-fouling and engine maintenance. In 2017, the upholstery has been renewed and the bimini top has also been renewed. If you are looking for one of the last produced Grand Banks 47 Europe's, then the 'Olibé' is certainly a 47 you should have seen.
