The Grand Banks 36 Sedan 'FAITH' with hull number 1053 is a yacht that is very unique, and only a few of them have been built. The 'FAITH's' two 250hp Cummins engines provide a maximum speed of 18 knots. But cruising quietly is also a pleasure with the 'FAITH,' with a consumption of 10 liters per hour at lower hull speeds. The combination of the two 250hp engines in the 36 sedan line is what makes it such a rare vessel. Whether cruising or at anchor, 'FAITH' promises a mix of traditional charm and contemporary comfort for an unforgettable journey on the water.
