Doggersbank 16.60 MY 'Barracuda' is a ship of space, comfort and absolute solid quality, a design by Dick Boon from Vripack International and built by Kuipers in Woudsend.

The quality can be found in the jogged round truss insulated hull, the high-quality technology with, among other things, stainless steel piping, and the luxurious interior. Also in terms of comfort, it lacks nothing; stabilizers, hydraulic bow thruster, davit, double thermopane glazing, Kabola central heating, dishwasher, washer / dryer and sleeping place for no less than 6 people.
