The Eastbay 49 “Riverman”, with hull number 49-99, is one of the youngest of the popular Eastbay 49 series. The hull designed by Ray Hunt guarantees excellent sailing characteristics. The half-open HX version, which gives the perfect indoor/outdoor atmosphere, can easily be converted to a closed version with a custom-made removable rear bulkhead.

“Riverman” offers a layout with the galley downstairs, opposite a dinette, two spacious bedrooms and two bathrooms. Comfort is created by the Kabola central heating system and atmosphere is created by the new Fusion stereo system. The last hauling was in the spring of 2021, which included the application of new antifouling and lacquering work.
