La plume is a well-maintained Grand Banks 36 Europe from 1998. During both summer and winter the ship lies in a covered ship house.

The ship features two times 135hp Perkins engines that give the ship a cruise speed of seven knots.

The layout of La Plume is as follows. The ship has two cabins, one of which has a double bed. The other cabin has a single bed with an extra bed that is easy to store. There is also one Toilet with a shower. In the gally up there is a three-burner cooker with a Princess oven.

At the top of the flybridge, you can enjoy the views of the Grand Banks.
