Doggersbank 1780 MY "Skagerrak" is, according to her builders, the best Doggersbank MY they ever build. Her classic sleek lines give her a majestic appearance and her luxurious teak interior, including her central heating system, provide a very cosy ambiance.

The technical installations in her engine room, built with a lot of SS piping, are of super yacht quality. Among others she is provided with Koop Nautic hydraulics as stabilizers, bowthruster and river pilot.

Skagerrak has had only two owners until today, who both always kept her in an immaculate condition.
