Balou was built in 2009 and is equipped with a 140 HP strong Vetus Deutz engine. Along with the bow and hekscrew, manoeuvring with this ship is easy.

Balou has a spacious cockpit and by opening the doors you can make maximum use of the living space that the ship offers. The ship has one cabin with a double bed and a bathroom with toilet and shower. Balou also has a Aberspächer stove which makes staying on board longer further in the season no problem. In the kitchen there is a 3-burner cooker and there are two refrigerators to be found. In 2020, a custom-made mattress for the cabin was added and new pillows were made for the salon, making sleeping and sitting extra comfortable on board. The tent that has been placed in
