Grand Banks 42 Motoryacht 'White T'

LOA (m):	13.17 m
Beam (m):	4.29 m
Draft (m):	1.27 m
Engines:	2x 210hp Caterpillar
Cabins:	3
Homeport:	Service office, Heeg
Price:	€ (not set)

The Grand Banks 42 Motor yacht is designed for those people who prefer longer trips. This Grand Banks 42 Motoryacht is one of the more spacious designs of Grand Banks and offers a 3 cabin layout.

The well-known displacement hull, offers the best of both worlds, boasting economical and comfortable sailing at around 9 knots.

Sailing with several guests is possible due to the different cabins that are located in the front and back of the ship. At the time of design, two layouts were available to the shipyard. The first being a two huts layout, with a Galley-down and the second being a three huts layout with a Gally-up.

The layout of the White T uses the Gally-up approach, with two cabins in the front and a large owner's cabin in the back of the boat. For added comfort on the colder days, central heating can be found in various locations throughout the ship.

The Grand Banks is powered by 2x 210hp Caterpillar engines, with which the ship can achieve a maximum speed of 13 knots.

White T, a ship that can be enjoyed comfortably all year round.

Main specifications

Model:	Motoryacht 42
LOA (m):	13.17 m
