The classic line of the Grand Banks 42 Classic is what makes it such a popular ship. With two double cabins with their own bathrooms on either side of the spacious saloon, there is optimum privacy on board. This 42 Classic from 1979, called 'VANA', has been made more maintenance-friendly over the years by, among other things, replacing the teak deck with anti-slip. Some other highlights of the Grand Banks 42 Classic 'VANA' are:

- Reconditioned engines
- Thrust bearings
- Eberspächer hot air heating
- Anti-slip decks
- Modern Raymarine plotter with AIS
